DIVERSIFIED PLASTICS INC. ANNOUNCES NEW MANUFACTURING FACILITY IN SOCIAL CIRCLE, GEORGIA

Latta, SC – August 26, 2020 - Diversified Plastics Inc., a leading international rotational molder based out of Latta, South Carolina, announces the addition of a new manufacturing facility in Social Circle, Georgia. This location will replace their Union Point, Georgia facility.

The new manufacturing facility will help to efficiently produce more of their industrial plastic material handling products. This location has two buildings consisting of over 50,000 square feet of manufacturing space. With over 17 acres, this space will allow for the future growth plans of Diversified Plastics Inc.

“We are eager to start production by mid-July at our new Social Circle, Georgia facility,” states Tommy Wallace, President of Diversified Plastics Inc. “This large-scale facility will give us the needed capacity to produce our line of front-end load dumpsters, material handling carts, and our new line of dock floats for the marine industry. The new location will also help us to handle the large demand for custom rotational molding for products.”

Since 1976, Diversified Plastics Inc. has been the leading rotational molding manufacturer of custom and standard plastic material handling carts and storage containers. DPI specializes in material handling carts for the industrial, textile, hospitality, laundry, agricultural and marine industries, plus waste and recycling plastic containers for restaurants, sports venues and stadiums, apartment and condominium complexes, plus corporate offices.

In addition to providing custom material handling solutions and waste containers for any application, DPI’s diverse product assortment includes bulk material handling carts, plastic utility carts, laundry carts, bulk containers, tote boxes, round containers, spring platform trucks, elevated carts, easy access carts, tilt trucks, spa and boat steps, and more.
