DIVERSIFIED PLASTICS, INC. INTRODUCES A NEW ROTATIONAL MOLDING OVEN

Social Circle, GA - April 12, 2022 - Diversified Plastic, Inc., a leading international rotational molder based out of Latta, South Carolina, introduces a new rotational molding oven to their facility in Social Circle, GA.

With the implementation of the new rotational molding oven, it will assist in the overall increase of productivity and allow DPI to produce larger quantities of plastic products. DPI currently has 25 plastic product lines that vary from material handling carts to commercial trash containers. This new oven has the capability to manufacture all of DPI's product lines in an efficient manner.

"We are enthusiastic to introduce the new rotational molding oven to our facility," stated Scott Oaks, Vice President of Diversified Plastics, Inc. "It will help us to manufacture our plastic products more efficiently and allow us to expand our product lines."

Since 1976, Diversified Plastics, Inc. has been the leading rotational molding manufacturer of custom and standard material handling carts and plastic storage containers. DPI specializes in material handling carts for the industrial, textile, hospitality, laundry, agricultural and marine industries. DPI also provides waste and recycling plastic containers for restaurants, sports venues, stadiums, apartments, condominium complexes, and corporate offices.

In addition to providing custom material handling solutions and waste containers for any application, DPI's diverse product assortment includes bulk material handling carts, plastic utility carts, laundry carts, bulk containers, tote boxes, round containers, spring platform trucks, elevated carts, easy access carts, tilt trucks and more.
