DIVERSIFIED PLASTICS, INC. BUSINESS DEVELOPMENT MANAGER ELECTED TO THE BOARD OF THE OPEXCHANGE (SCMEP)

Latta, SC – November 21, 2022 - Diversified Plastics, Inc., a leading international rotational molder based out of Latta, South Carolina, announces that their Business Development Manager, John C. Leek, has been elected to the Board of The OPEXChange (SCMEP).

The South Carolina Manufacturing Extension Partnership (SCMEP) is a private, non-profit group that serves as a proven resource to South Carolina businesses, providing them with a range of innovative strategies and solutions. An affiliate of the National Institute of Standards and Technology (NIST), SCMEP operates under the US Department of Commerce to promote innovation and industrial competitiveness.

At SCMEP, they use a strategic, hands-on, partnering approach to help South Carolina companies improve their competitiveness, performance, and profitability in today's increasingly demanding global economy.

"We are proud of John's election to the Board of The OPEXChange," stated Tommy Wallace, President/CEO of Diversified Plastics, Inc. "He will be a great asset to the board as he has a diverse background with a strong commitment to business and community growth."

Since 1976, Diversified Plastics Inc. has been one of the leading rotational molding manufacturers of custom and standard material handing carts and plastic storage containers. DPI specializes in material handing carts, 1-4 step heavy duty steps, traffic barriers and column protectors for industrial warehouses, recycling, textile, hospitality, laundry, agricultural and marine industries. DPI also manufactures waste and plastic recycling containers for restaurants, sport venues, stadiums, apartment and condominium complexes, and corporate office buildings.

DPI's diverse product line includes bulk material handing carts, plastic utility carts, laundry carts, fork liftable bulk containers, tote boxes, round drums and containers, spring platform trucks, elevated carts, easy access carts, tilt trucks, and more.
